

AFFORDABLE HEALTH CARE PLANS TODAY!

Do you need an affordable individual or group health care plan?

New legislation in 2009 and group discounts make it possible now!

This is the perfect time to improve your health care plans and costs!

Do you know your SIC Code and whether you are eligible for discounts?

If you have been seeking a better health care plan that:

- ✓ has no pre-existing conditions clauses;
- ✓ gives you coverage from the first day of the plan;
- ✓ requires no claim forms and provides convenient online services;
- ✓ provides guaranteed competitive prices and benefits;
- ✓ helps you to retain key staff people in your church or business;
- ✓ provides quality primary care, prescriptions, X-ray and laboratory services all at one convenient location;
- ✓ provides preventative care services at no charge;
- ✓ outside referrals are not needed for consultations with most specialists;
- ✓ and provides secure online tools to get lab results, make routine appointments, order prescription refills, e-mail your doctor, find alternative therapies, access healthy living classes, and much more!

Here are some examples of industry categories that are eligible for health care discounts: Religious organizations, architectural service firms, and excavating contractors are eligible for 25% discounts. A number of businesses are also eligible for 20% discounts; including construction and mining companies, auto supply firms, natural gas distribution companies, and many more. Ask Ken to help you explore whether your organization is eligible for health care discounts.

To find the best combination of plans, services, and costs for yourself or for your family, church or business ... seek the assistance of a seasoned professional like Ken Peterson. He has 35 years of experience in the industry and is a top producer for Kaiser Permanente. He has acted as a trouble shooter and consultant to help many organizations improve their health care plans and costs. He can select from many plans and mix and match until you have the best combination of individual and/or group plans. Ken will work until he finds the discounts for which your family or organization may be qualified, meets your health care needs, and complies with your budget constraints.

If you live within the Denver/Boulder Metro Area you may be qualified for some great health care plans. The special health plan coverage is not available outside this area.

Call Ken for an appointment today and discover your opportunities to improve your health care coverage and reduce your costs. Seize the opportunities available through new 2009 legislation.
