

GOD IS PROCLAIMING HIS MESSAGE WITH ART BANNERS

Fly Your Faith Gallery's products are tested for quality and a life of excellence. This story comes from the CBS *Touched by An Angel* licensed design. We had hung this rich "I LOVE YOU-TRUST ME" 2-sided banner on our mailbox.

Our driveway is long. We did not know our mail carrier. One day the doorbell rang. There stood a female mail carrier with her cap. She handed me a package. As I was signing for the package, she spoke in a soft broken voice, "I like your flag." I asked, "Which flag?" since I had banners on my front porch, patio, garden and garage. She replied, "The one on your mailbox." As I walked out to see the one she spoke of, I sensed she was hurting emotionally. She started to cry. I gave her a hug and said, "I do not mean to pry, but may I pray with you and see what Christ will do for you?" She looked up and said, "It's my son and I don't know what to do." I responded, "You know love, us Moms always carry our children in our hearts and want the best for them."

"Yes," she said, "but you see, my son is going before the Judge next week. They will test him for drugs. I know they will send him to jail if he has drugs in his system! In addition, he needs a job!" In her brokenness and tears, I asked again, "If I say a little prayer to God, will you just agree with me before Him?" She nodded her head. We prayed. We thanked God for His power and incredible love. We asked Him to clean this boy's system, to give him a job in seven days, and to cancel the court date. We also asked God to come into her son's life, and that he would serve Him, including his family, in Christ's Most Holy Name. We embraced again. She left with a smile on her face. I asked her to let me know what Our Heavenly Father did for her son.

About two weeks later, my doorbell rang. I opened the door. There stood my smiling mail woman! I said, "Okay, so what did Our Heavenly Father do for you and your son?" She said, "They tested him; he was clean from drugs! He got a job in five days, and Court was cancelled!" She said, "Thank you." I replied, "Oh my dear Mom. Thank your Heavenly Father; only He has the power and authority." We hugged, then I asked her if she attended church. She stated, "No. I am a recovering alcoholic. I go to AA. I am fine there." I asked about her relationship with God and Jesus Christ and invited her to church. She has not yet accepted my invitation. I support her and pray for her when she asks. Her son still has his job and God is guiding him. I repeatedly pray Matthew

18:18-20, "Assuredly, I say to you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in My name, I am there in the midst of them."

The moral of this story is: Use all methods to give hope, clarity and direction towards Our Lord Jesus Christ. This testimony is just one of God using a mailbox and **The Message Art** to reach out and touch someone hurting and lost. Joggers comment as they run by that we direct their thoughts to God. How powerful! Decorate with Banners (God inspired) so His chosen ones rally around the truth. Now is the time, for time is short! Always be ready to add Jehovah God's or Christ's Name and love into your conversation with others. The harvest is plenty; the fields are ripe. Everyone has a choice, so choose well. Our banners are for all seasons and all reasons! Call and place your order today.
