About 60,000 new families buy homes annually in Denver Metro. We impact them with personal invitations and forward their reply cards to selected churches or ministries.

Many churches, ministries, and businesses are now also provided with their own listings and page displays on the World Wide Web. This greatly increased communication for our advertising clients in Colorado, America and the World.

Our publisher will train your staff and elders or business managers how to use newcomers lists and plan your multimedia outreach marketing into the local community.

We publish public relations notices, support groups, special events listings, schools, child care listings, and counselor listings. We also publish testimonies, articles, open house listings, and good reports as appropriate.

For more information, or to request a presentation, mail the information request card, found on page 53, back to us. Call us at (303) 373-9977 or send an E-mail message to jwitwer@aol.com.
