

Church Funding & Gifting

Create your *Legacy* and *Sustain your Church for Generations*

with a flow of *Significant Donations*.

A very small monthly offering can **Create a BIG Financial Blessing!**

Lets do the math:

A 50 year old woman can create a \$10,000 gift for \$20.65 per month.

It would take her 40 years to donate the same \$10,000 gift paying \$20.65 per month. With our plan that \$10,000 is available from the very first day!

PLAN # 1 Church Funding Gift.

Up to **\$35,000** will be paid lump sum directly to your church upon your passing. Even if you made **just one small payment** into your plan and suddenly passed away, **your church still receives 100% of the total donation** you planned. Imagine the peace of mind this feature provides you. This is the plan's "**Self Fulfilling**" Power.

PLAN # 2 Church Funding Gift & Funeral Expense.

Up to **\$35,000** will be paid lump-sum directly to your church upon your passing.

PLUS
a pre-determined amount is **paid directly to your family** to **shield them** from the **thousands of dollars** needed for Funeral and Final Expenses. Features the same "**Self Fulfilling**" Power of Plan #1.

Special program to produce up to **25 MILLION \$\$**
