For the first time **EVER**
Average people just like **YOU**
Are improving their **LIFE** and **HEALTH**
And are generating a good **RESIDUAL INCOME**
In their spare time right from **HOME**.

During the past two years my wife and I have used the main products that are available through **GBG** (which means **Guided By God**); the **10-IN-ONE** nutrition product, the weight-loss product **Willpower in a Bottle**, and the **One Day Diet Program**. We've enjoyed great results and are thrilled with the improvement in our **LIFE, HEALTH & WEALTH**. My wife came out of the University of Colorado Hospital on April 4, 2010, where she was treated for Congestive Heart Failure, and she went onto the 10-IN-ONE product immediately. Her health is improving, energy is being restored, and her eyes are being healed from Diabetic II symptoms. Pain has been eliminated from my body and my energy improved dramatically. I have lost more than ten pounds so far and many of my **GBG** clients have reported many health benefits too. We've had the joy of helping a number of our friends, relatives, and business associates to start their own businesses (either in the rapidly growing nutrition business or some other business of their own choosing). **Join us and enjoy the benefits!**

I've written an article that reviews the main challenges to my career opportunities and personal health that I experienced over the last fifty years. God has been good to me and I've enjoyed a great career. Be inspired in your own career and by my wife's testimony of her miraculous recovery. My GBG sponsor, Woodrow Keener, has been a blessing to me. He knows a great deal about nutrition and encouraged Diane and me to begin using GBG's products. He also helped me to successfully install Skype and that opened up sales opportunities for us in all of Canada and the USA, where I now make FREE long distance phone calls. Visit www.churchguide.com, read his article **SHOULD CHRISTIANS BE THE HEALTHIEST PEOPLE ON EARTH?**
