Do you value local Christian Radio?

AM 91, The Point of Faith, 910 on the dial, is your local Christian radio companion. We join you around the breakfast table every morning, keep you company in your home or office during the day and curl up with you as you retire for the evening; providing comfort each day.

Serving our local Christian community, AM 91 provides value to churches and ministries with promotion and connection to the body of Christ. But most importantly, we are here to minister to you with words of wisdom, prayer, encouragement and the joy of the Lord Jesus.

The current economic conditions will undoubtedly take a toll on some of the support of Christian endeavors this year, but for each one of you who still has a source of income and God's blessing, now is the time to remain or become even more faithful in your support of God's work. We don't know the future of Christian radio in this country. Unfortunately there are those in Washington and around the country who would like to silence the Christian message. Please pray for this situation, and if you value Christian radio, help us maintain a strong presence.

In the middle of the Lord's Prayer He taught us to ask "Give us this day our daily bread." Those words remind us that we depend upon God for everything. He is the source of every blessing. James 1:17 says, "Every good gift and every perfect gift is from above." We are asking you to consider the value of local Christian radio and encouraging you to be bold in your faith and in your support of Christian radio. We pray that the Lord will allocate His resources appropriately as we commit to operate AM 91 The Point of Faith within what the Lord provides. We thank God for all His gifts, especially Christ, the greatest gift of all.
