

Time is Running Out...

Faith of the Nations

Our hearts are crying out for revival.

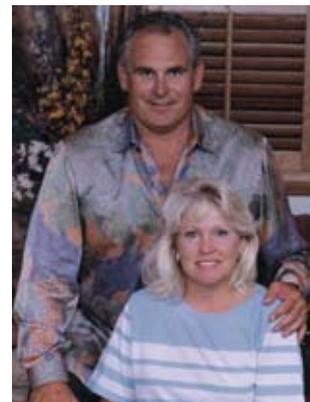

Revival is happening in other cities...why not here?

What must we do to experience revival?

A pastor friend shared with me...“I just came to the end of myself and all I could do...it was church as usual, but I still wanted more. Then I decided to ‘Let go and let God do what He wanted to do’. Since that day we are experiencing the Book of Acts all over again...I’ll never be the same again.”

Uganda, Rwanda, Korea...why not here? We believe it is God’s will to open the heavens over our cities...do you?

It is our time.

Faith of The Nations

Greetings! Pastors and Friends,

The purpose of this letter is to re-introduce our ministry to the local area, with a fresh focus and vision to connect with local pastors and help revive our city.

In 1976, in a small country church in Kansas, a bright light appeared to me, and out of that light came a voice saying, "MY SON, PREACH MY WORD TO ALL THE NATIONS."

An incredible journey of faith began thereafter, with a life marked by the unusual miracle manifestations of the Holy Spirit. Since our salvation we were committed to serve the God who called us. Larry, Debbie and our five children have been tutored by the Holy Spirit through life's many challenges. All we had was a simple trust in the God who appeared and spoke to us. It seemed as though we were placed in the pathway of God. Since 1976 we've had the privilege to serve several impact ministries, which took us worldwide.

Our focus and calling for 25 years has been ministering to the nations, which we still do. We've seen some of the most amazing, supernatural breakthroughs and revivals, in 60 nations. God has honored His Word -- through more than miracles -- with unusual signs and wonders. "I must be an end time voice of encouragement -- a vessel of real Holy Ghost breakthrough and revival." Pastors repeatedly remark that, "Brother Larry's ministry attacks spiritual forces and breaks through spiritual barriers -- the spiritual climate changes, growth comes and brings about positive change."

Recently the Lord called us back to the city of Denver and the state of Colorado. The Holy Spirit spoke clearly to me and said, "Turn your eyes upon America ... Look here." Pastors and ministry leaders, we are here to support you and help you shake this city for the Glory of God. It's time! Thus, the purpose of this letter -- to work together for revival.

If it has ever been time, it is time now! It's not about denominations, ordinations and organizations. It's about Jesus. Something is about to happen and we've decided to be a part of it, where and when it happens. It must be here. God used Daniel to deliver a nation in a time of crisis! Surely He can use you and me to do the same, right here and right now. If we don't believe He can, then we might as well quit right now and preach another gospel. If we don't believe the basic truths of why we serve the Lord, then let's pack it in. As for me, I choose to press on.

Debbie and I have chosen to believe, just like Daniel. In Daniel 9:19-22 NKJV we read, "O Lord, HEAR! O Lord, FORGIVE! O Lord, LISTEN and ACT! Do not delay for Your own sake, my God, for Your city and Your people are called by Your name." Got it? HEAR ... FORGIVE ... LISTEN (where God decides to respond to Daniel's prayer) ... and ACT (God's demonstration to us through signs and wonders). Our cry: Do not delay for your own sake, my God, for your city (Denver) and your people (church) who are called by Your name.

Daniel has one hand stretched out to God and one to his people. He stands between his people and his God. Daniel was unwilling to let go of either his God or his people. "20 Now while I was speaking, praying, and confessing my sin and the sin of my people Israel, and presenting my supplication before the LORD my God for the holy mountain of my God, 21 yes, while I was speaking IN PRAYER, the man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, REACHED ME about the time of the evening offering. 22 And he INFORMED ME, and TALKED WITH ME, and said, "O Daniel, I have now come forth to GIVE YOU SKILL TO UNDERSTAND." It is our time to hear from God. God is speaking to us right now. How will we answer?

I have a CD entitled "The Church is Not Sick unto Death." It is a revelation based on John 11, and explains what I believe the Lord is saying about the Church today. If you are interested, call or write and I'll send it to you. Let's get to know each other and work to revive our city.

"Will you not REVIVE US again, That Your people may rejoice in You?" Psalm 85:6

Yours in revival,
Larry and Debbie Hrovat
