TESTIMONIES

I wanted to let you all know that on Sunday, October 8th at 5pm Bryan will be baptized at our church (Smoky Hill Vineyard). Also I want to personally thank each of you (Marked Men For Christ) *for giving me a NEW HUSBAND!* Aubrey Fryday

If you want to really experience **Christ** as a man in this culture, this is **IT!** Life changing event – safe, supportive, compelling and real authentic. David (Wknd #26: Oct 1, 2006)

What a LIFE CHANGING event! A weekend experience all men should go through if they want to be healthy. A GREAT experience from the HOLY SPIRIT to begin again!

Oh my gosh! THANK YOU, THANK YOU, THANK YOU for inviting Rodger to go to MMFC weekend! This is a Rodger that I have NEVER, EVER seen before! We have been together for 25 years and this is a totally new man. As of last week, I was preparing to leave him. I only literally stayed because he 'might' go to this MMFC weekend. Rodger was literally down to nothing. NOTHING! He had been in bed for a week before he went on the weekend. Satan showed up the night before he left to make him not go. It was ugly. But by the grace of God, he went (to the Marked Men For Christ weekend). Do you know that even his facial features are different now? Before he left, his face was sunken, gray, and full of lines. When he walked in the door Monday night his face had lost about 1/2 the lines, it was pink again and so much fuller. His eyes are clear and so is his heart. He has spent most of today confessing his sins to me and answering ALL of my questions with complete honesty. I haven't liked some of the answers but that is what I want – honesty. He keeps saying, 'no more masks Peggy'. It is going to take time for me to tear down my walls I have built to protect myself. Rodger has let me share ALL of my feelings about him today and he just sat there with love in his eyes and said, Peggy, it is my mission in our relationship to EARN your trust back and the trust of the rest of our family. **He has talked to my sons about God and he wants to go to church!** WOOHOO!

God is such an amazing God and I truly believe what you (MMFC ministry) are all doing for the broken men of this world is amazing! We NEED the MMFC here in Arizona desperately. We already have men who want to go. Rodger feels that after he has gone through Phase 2 and all of the necessary requirements that it is his purpose to be on staff for other men and pay it forward. Thank you again for everything! May God pour out his blessings on all of you! Peggy Stokes (Oct. 2006)
