

John & Diane Witwer are Ordained at Pastors Anonymous Dinner Meeting

John & Diane Witwer, owners and publishers of the Church & Christian Business Guide for the past fifteen years, after being involved in ministry together for over thirty years, were ordained and licensed respectively, at the last Pastors Anonymous Dinner Meeting on June 26th. Their clergy applications were encouraged and sponsored by the Rev. Dr. Pearl Porter, Pastor of Victory Temple of Denver, and Rev. Dr. James Boulware, of Shady Cove, Oregon. John and Diane are now members of the clergy of the Assemblies of God International Fellowship. Four local pastors assisted in the ordination ceremony (standing left to right in the enclosed photo): Rev. Gary Jefferson, Pastor of Front Range Christian Fellowship in Longmont, Rev. Dr. Pearl Porter of Victory Temple in Denver, Rev. Bruce Heil also of Victory Temple of Denver, and Rev. Charles Johnson of Colorado Springs. The four pastors participated in the ceremony with a Scriptural charge

from 2 Timothy 4:1-5 and with the customary laying on of hands.

Rev. John L. Witwer, who has been a Bible researcher, teacher and seminar speaker for over thirty years, is launching a new interactive, Internet-based teaching ministry. This new high-tech ministry is designed to promote the Word of God across America and help restore Greatness to her citizens once again. See pages 26 & 27 in this current Edition for information regarding this new teaching ministry. Rev. John Witwer has been involved in evangelistic ministries in Hawaii and Colorado for over thirty years. Rev. Diane M. Witwer is the Editor of the Church Guide, and is being used in the healing and counseling ministries. They are very excited in going about the Father's business – to visit local churches, teaching God's Word.
