reshaping our future... renewing our world!

We are in the midst of reshaping our future as a church and we'd love to invite you to come along with us on the journey!

Our main campus ministry in Aurora continues to grow and we are looking forward with anticipation to what God will be doing in us and through us as we expand our ministry eastward into the Conservatory area of Aurora!

We're also excited to offer our weekly services live on the web! Simply visit our website, www.faihtpc.org, and follow the link that says "watch us live on the web." You have the option of viewing live, full services, as well as archived full services or archives of only the sermon if you are pressed for time.

Come and see the new, exciting thing God is doing here at Faith Church and how you fit into our future!
