God wants you to live in His Glory!

God told us that too much emphasis has been put on the fall of Adam and Eve and not enough on the Glory they lived in before! In the Glory they lived in there was no sin, no sickness, no disease, no hate! They had a relationship with God and lived in His presence! They had everything they needed! That's where God wants us to live!

Living in Glory Ministries trains and equips believers to live in the Glory. Our passion is to see people walking in divine health physically, emotionally and spiritually! The Word of God says *the believers* will lay hands on the sick and they will recover! Living in Glory trains believers, ministers, church ministry teams, elders, and altar workers, how to heal the sick. God told us that the greatest evangelistic tool is healing! We teach Basic Healing, Advanced Healing, Really Advanced Healing, and Deliverance. When the undeniable power of the Holy Spirit is present, people are healed, miracles happen, and people come to know Jesus! We want all of God's people living in the Glory of God! Knowing the plan for your life! Living in faith, revelation knowledge, and unity! Living and walking in fullness and power! Healing the sick! Boldly proclaiming the kingdom of God! It's time to live in the Glory! (If you would like to see a complete listing of our courses please visit our website.)

SUPERNATURAL HEALING MUSIC FROM HEAVEN!

HEALING GLORY IS PROPHETICALLY PROCLAIMED

SUPERNATURAL, ANOINTED HEALING MUSIC!

This Glory filled music has been prophesied about for years! And now it has come to pass!!! God has anointed this powerful Healing Glory music that is changing people's lives! The Glory of God fills the atmosphere and people are healed!

Here is some of the amazing testimony about it...

Nichole has been given **over 25 prophetic words** that when she plays the keyboards the notes will go into people and heal and deliver them! Without knowing how to play the keyboards, she stepped out in faith worshiping God and started hearing notes in the Spirit! God also supernaturally created the sound and made it change while she was playing to the Harp! *David played the harp for Saul for deliverance!* **It's a spontaneous, walk on water experience that God has anointed with healing and deliverance power!**

Believe for your miracle! Nothing is impossible with God!
~ Nichole
