Need a part-time minister or Bible Teacher?

Does the pastor need time off, due to illness or need for rest and renewal? Or do the people of the congregation need an encouraging boost in their lives, with a fresh teaching from the Word of God? Do many in the congregation seek concrete answers and strategies to cope with the current economy and come out victorious? Rev. John L. Witwer, an ordained minister of the Gospel and Publisher of the Church & Christian Business Guide in Denver for the past sixteen years, has filled pulpits and teaching positions temporarily many times in the past. See the article on pages 42-43 of this Guide issue, to see how the Lord has used him on occasion to minister to hurting businessmen and pastors over the past thirty years.

For the past eight months he has conducted extensive computer-based Bible research and has been teaching a new series entitled CHANGE YOUR DESTINY, based on the Prayer of Jabez. See pages 26-27 in this Guide issue for a full description of this new project. One of the inspiring revelations that have come from this fresh new study is found in an article on pages 24-25 of this Edition. In Paul's ministry to the Philippians a partnership concept is found, that can revolutionize and expand many church outreach efforts.

The Monthly Dinner Meeting of Pastors Anonymous Brings Refreshment, Ministry and Encouragement to Pastors and Their Spouses.

On the last Thursday evening of every month, this group of pastors and spouses meets at 7:00 pm in the basement of Victory Temple, 7908 Pearl St., Denver 80229. The meeting is conveniently located near 84th and Washington. This organization was founded by Pastor Pearl Porter and is

graciously hosted by Pastors Pearl and Jim. See Page 32 for more information about this group. Over the past few years this group has encouraged and ministered extensively to many pastors and their spouses. Come for a great dinner, door prizes, brief updates concerning current community issues, and be inspired by a guest speaker. No charge is made for the dinner. An offering is received to help cover the costs to sponsor the event. We ask that reservations are made a few days in advance, by calling Pastor Pearl Porter at (303) 424-0103 or John Witwer at (303) 373-9977, so that we will have enough meals prepared. No children please.

Pastors please mark your calendars now and plan to attend the next monthly dinner meetings, to be held on the following dates: August 28th, September 25th, and October 30th. The dates for the November and December meetings TBA on our web site, at www.churchguide.com, click "Events" button on the Home Page.
