

# GOD'S PLAN FOR YOUR SUCCESS

*“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11 NIV*

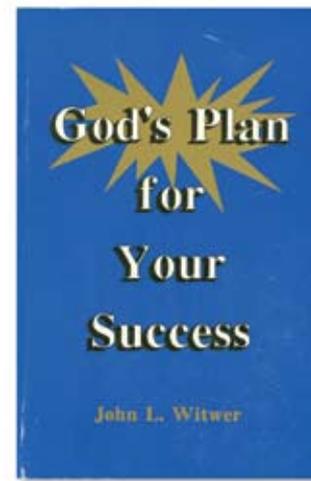

**I**n 1972 I bought a business that was in trouble financially. It also needed a total transformation of products, marketing strategy, etc., requiring that I make a further investment to overhaul the manufacturing

process and build new computer software. At the time I was a new Christian and a first time CEO.

**B**efore I knew it, I was in debt \$250,000.00 and I had no place to turn. I received encouragement from an article in Logos Magazine, and I set a course of following God's financial principles. Over a period of years all debts were paid in full and I was set free; without borrowing, selling stock, or pestering relatives for more money. Biblical financial principles made my business far more productive and profitable. The principles that set me free are documented in my book, God's Plan for Your Success, which is available as noted herin.
